

# Sheerness West Federation Week Ahead 12 July 2021

## Federation Message from Mrs Pattenden ...

Dear Parents/Carers

We have seen a successful Year 6 festival at West Minster and look forward to Rose Street's Festival when all the Year 6 children have returned - lots of fun and laughter which is great to see.

Following the PM's announcement about Step 4 on the 19th July, we are really looking forward to getting back to almost "normal" in September. We will send out the details very soon.

Following the success of England on Wednesday - both schools were buzzing with excitement - lets hope for a great result on Sunday!! Happy weekend.

### WHAT TO DO IF YOUR CHILD TESTS POSITIVE FOR COVID OR IS UNWELL

We are asking all parents to ensure that you **do not send your child to school if they are suffering with one of the 3 main symptoms, please keep them at home if you have any concerns.** If you do keep your child home, you must, of course, notify school in the normal way.

We would also remind parents of the following:

1. **If someone in your household tests positive the whole household MUST isolate for 10 days - please inform the school urgently via the office email between 8-4 or via ClassDojo if out of hours.** Nobody from the household should go out even if they have no symptoms. (if this is from a lateral flow test you have done **at home**, you should then get a PCR test, and once again let us know the result.)
2. **If someone in your household has symptoms or is getting a test, everyone should stay at home whilst that person gets a test. Children should not attend school during that time.** If the result is negative you can return to normal. If the result is positive you must follow the above points in number 1.

### Message from Ms Brewer

Yet another busy week with the year six pupils having a treat with fun outdoor activities. Also, we have celebrated children's achievements with our special assemblies, which never fail to make me feel so proud how well the children have done especially as this year has been a big challenge, and how hard all the staff work to support them. Next week starting on Monday is transition week with all the children moving up to their new classes so they can meet their new Teacher and Teaching Assistance.

On a separate issue I have noticed that there are increasing numbers of bikes and scooters being ridden on the school premises, and there has been occasions where there have been near accidents with both children and parents being upset. So, I am kindly asking if you really need to bring either a bike or scooter onto the school site that no one rides them, this will ensure that everyone is safe. However, if this does not change then I will have no option but to ban them

### Message from Mrs Mackay

8 more get ups! Can you believe we are nearly at the end of another academic year! On Wednesday we celebrated the children's achievements with our special assemblies, it was lovely to see all the children virtually on the big screens. On Thursday 15<sup>th</sup> and Friday 16<sup>th</sup> July we will be having our internal transition days, please look out for letters on Wednesday 14<sup>th</sup> July that will inform you of your child's class for next academic year.

I hope you enjoy your weekend and there's only one positive result this weekend... The football result!

### Message from the Well-being Team

As this term races to a close and thoughts of the summer holidays enter our minds, why not think about how to 'Shake Up Your Summer' with Disney, Pixar and Marvel!

We would like to inspire you to defend like Black Panther, play freeze tag with Anna, and travel 'to infinity and beyond' like Buzz Lightyear! It's time to join in the fun!

You could even make up moves for your favourite character.

There are so many advantages to being active, not only to our physical wellbeing but also to our emotional and mental health.

For lots more exciting Disney, Pixar and Marvel games to keep your family active and entertained all summer long and beyond, whether it's in the garden, at the park, or even indoors on a rainy day:
