

Sheerness West Federation Week Ahead 20 September 2021

Federation Message from Mrs Pattenden ...

Dear Parents/Carers

This is to let you know, following many conversations, that we will now address any inappropriate behaviour (including perceived bullying) between our pupils using the "STOP" process:

This process, along with using restorative justice, will hopefully ensure everyone fully understand unnecessary and inappropriate behaviour and how to STOP it.

On behalf of the Federation, we hope you have a lovely weekend and here is hoping for the sun to keep shining.

Message from Ms Brewer

This is our second full week and again it's been a busy time. The children have been working very hard and the whole school has been excited about our new Values competition, we have been receiving some lovely designs for our new values logo so, watch this space for the winning design.

The children in reception have been getting used to being at school, they have done really well settling in. As from next week they will be spending the whole day.

At present the reception/nursery gate is opening in the mornings at the same time as the main school gate, then reopening in the afternoon for Nursery and Reception class pickups. At the end of the day the gate opens at 3.00pm this should be for reception and nursery children only. As from Monday 20th September the yellow gate to the back playground for year one and two classes will not be open until 3.10pm.

We have the school photographers visiting the school on Tuesday the 5th of October to take your child's individual photo this is for the whole school. There will be a letter going out with further information.

This year, we are back! Showing our support for MacMillan Cancer Support and the wonderful work that they do.

Please see the information below and check out the following link for baking inspiration.

Have a good weekend and look forward to seeing you all on Monday.

Well done to Swan Class for the highest attendance this week at 98.39%

Remember regular attendance is important for your child to make timely progress, achieve their academic potential, enjoy a range of activities and spend time with their friends.

After school clubs began this week and Mr Roose was very pleased! There are still places for some of the clubs, so if your child would like to attend please collect a form from the main office.

Term 1 After-School Clubs

We are so pleased to be able to offer after school clubs once again! In Term 1 we will be offering the following clubs. Please just tick which clubs your child would like to attend and sign and return to the main office by Monday 13 September. Children will need to have their full PE kits, suitable footwear and a named water bottle. All children will need to be collected from the clubs by a responsible adult. Spaces are limited so please return as soon as possible.

Message from Well-being Team

Another lovely week of learning finished for the children. Well done to all for keeping up the amazing learning. We really enjoy walking around and getting to see what is going on.

Here are some useful hints and tips to help establish a sleep schedule if you are struggling with your little ones. Getting back into a routine is always tricky after some time away from school. We hope this helps.
