

Sheerness West Federation

Week Ahead

11 October 2021

Federation Message from Mrs Pattenden ...

Dear Parents/Carers

It has been lovely seeing outside visitors in both schools this week.

We learnt a lot about the M.A.F organisation at Westminster and Road Safety Awareness Team visited Rose Street.

Just to remind you that we are really focussing on attendance and punctuality – it is so important for our pupils to come to school regularly. Please be reassured, we are here to support you so please contact either office.

Wishing you a very restful weekend.

WHAT TO DO IF YOUR CHILD TESTS POSITIVE FOR COVID OR IS UNWELL

Please follow the link below if your child is unwell with Covid-19 symptoms or tests positive.

Message from Ms Brewer

Another busy week! We have had whole school photos; a special visitor who met the children doing assemblies and today lots of children wearing yellow to support Mental Health Day.

Just to say a big thank you for your support with the MacMillan cake sale the grand total that you kindly donated was £226.37.

Please can I remind you that there are numerous signs around the school about not smoking.

Message from Mrs Mackay

Week 5 completed! Such a lovely week with lots of interesting activities and so nice to finish off the week celebrating World Mental Health Day. During our assembly we talked about recognising our different emotions and how we can keep ourselves mentally healthy.

As we begin to head towards the end of term it's important to remind you about attendance. I understand the children are getting tired and picking up lots of germs but it's so important the children continue to come to school every day; so much schooling has been missed due to Covid and every effort is being put into supporting the children to progress, so regular attendance is really important.

Just a reminder that the school gates close at 8.45, after this time you need to report to the main office.

Thank you as always for your continued support and smiles on the gate in the morning.

Message from Well-being Team

Happy world mental health day. It was lovely to see so many children and adults taking part by wearing something yellow and a huge thank you for donating. No matter how much it all makes a big difference. Our fundraising page is still open so if you haven't had a chance already, please donate through the link below.

Here is a lovely website that offers some myth busting regarding mental health. Take some time to have a look, it may help with a situation you may be going through. The website name means 'Just Ask a Question', fabulous resource for anyone struggling or who knows someone struggling with mental health.

www.jaaq.co.uk

As you know we have been getting the children to come into school in their PE kits, which helps save time for all and allows children more time to participate in PE. However, we are aware that changing in school did help with the gross motor skills of children. We wanted to give you a guide to show what we would expect from children at different stages when dressing themselves. If you find your child having any difficulty, there are some lovely websites online that offer support and advice. Remember a guide to ages and stages is exactly that, children learn at their own pace, in their own way 😊

Have a lovely weekend! 😊

This weeks letters/emails sent and on our website (<http://www.rose-street.kent.sch.uk/>) and (<http://www.west-minster.kent.sch.uk>) were:

This week's Dates for your diary:

Future Dates
